INDEPENDENT AUDITOR’S REPORT

To the Members of Auckland University Students’ Association (Incorporated) Group

Report on the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Auckland University Students’ Association (Incorporated) Group on pages 4 to 18, which comprise the Consolidated Statement of Financial Position as at 31 December 2016, and the Consolidated Statement of Comprehensive Revenue and Expenses and Consolidated Statement of Movements in Accumulated Funds and Consolidated Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Auckland University Students’ Association (Incorporated) present fairly and are prepared in accordance with ‘Public Benefit Entity International Public Sector Accounting Standards as appropriate for Tier 2 Not-For-Profit Reduced Disclosure Regime, in all material respects, for the purpose of reporting to the University of Auckland.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Association in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Boards, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our firm has previously carried out additional services for Auckland University Student’s Association (Incorporated) Group in the area of assistance to format the consolidated financial statements. This service has not impaired our independence as auditor. The firm has no other relationship with, or interest in, the Group.

Responsibilities of Those Charged with Governance for the Consolidated Financial Statements

The Executive is responsible on behalf of Auckland University Students’ Association (Incorporated) Group for the preparation and fair presentation of the consolidated financial statements in accordance with the rules and policies as set out in the Group’s accounting policies, and for such internal control as those charged with governance determine is necessary to enable the preparation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the Executive is responsible on behalf of the Group for assessing the Group’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Executive either intends to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these non-consolidated financial statements.

A further description of our responsibilities for the audit of these special purpose non-consolidated financial statements is located at the External Reporting Board (XRB) website at:

https://www.xrb.govt.nz/standards-for-assurance-practitioners/auditors-responsibilities/

This description forms part of our independent auditor’s report.

Our audit was completed on 23 November 2018 and our unqualified opinion is expressed as at that date.

Walker Wayland Auckland
Chartered Accountants
Auckland University Students Association Incorporated
Approval of Performance Report
For the Year ended 31st December 2016

The Executive is pleased to present the approved financial report including the historical financial statements of Auckland University Students Association Incorporated for the year ended 31 December 2016.

APPROVED

For and on behalf of the Group;

AUSA President

Dated this 23 day of November 2018.

AUSA Vice Finance President

Dated this 25 day of November 2018.

The accompanying notes form part of these financial statements.

Auckland University Students Association Incorporated
Notes to the Consolidated Financial Statements
For the Year Ended 31st December 2016

1. STATEMENT OF ACCOUNTING POLICIES

   Reporting entity
   The reporting entity is the Auckland University Students Association Incorporated which is domiciled in New Zealand and is a charitable organisation registered under the Charities Act 2005.

   The financial statements, comprising the Incorporated Society and its controlled entities, together "the Group", are presented for the year ended 31 December 2016.

   The financial statements for the year ended 31 December 2016 were approved and authorised for issue on 23 November 2018.

   Statement of Compliance
   The financial statements are prepared in accordance with Generally Accepted Accounting Practice in New Zealand ("NZ GAAP"). They comply with Public Benefit Entity International Public Sector Accounting Standards ("PBE IPSAS") and other applicable financial reporting standards as appropriate that have been authorised for use by the External Reporting Board for Not-For-Profit entities. For the purposes of complying with NZ GAAP, Auckland University Students Association Incorporated is a public benefit not-for-profit entity and is eligible to apply Tier 2 Not-For-Profit PBE IPSAS on the basis that it does not have public accountability and it is not defined as large.

   The Executive has elected to report in accordance with Tier 2 Not-For-Profit PBE Accounting Standards and in doing so has taken advantage of all applicable Reduced Disclosure Regime ("RDR") disclosure concessions. This decision results in not preparing a Statement of Service Performance for both reporting periods.

   Specific Accounting Policies
   In the preparation of this Performance Report the specific accounting policies are as follows:

   (a) Property, Plant & Equipment
   The entity has the following classes of Property, Plant & Equipment;
   - Investment Properties: 0% SL
   - Motor Vehicles: 20% SL
   - Furniture & Fittings: 10 - 33.34% SL
   - Office Equipment: 10 - 48% SL
   - Plant & Equipment: 2.5 - 36% SL

   All property, plant & equipment, except for land and buildings, is stated at cost less depreciation. Depreciation has been calculated using rates calculated to allocate the cost of valuation of the asset less any estimated residual value over its remaining useful life.

   (b) Intangibles
   Intangible assets are initially recorded at cost and subsequently measured using the Cost model, being cost less accumulated amortisation and impairment.

   The accompanying notes form part of these financial statements. These financial statements should be read in conjunction with the attached Compilation Report.
Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset in which it relates. All other expenditure including expenditure on internally generated goodwill and brand, is recognised in surplus or deficit.

Campus Radio BFM Limited, a Group entity, is a non commercial broadcaster and holds a radio license that is valid till 2 April 2031. It has a transmitter located at Skytower and covers the geographical area of Auckland City Council including Rodney and Franklin wards. As this license is non-commercial, it cannot be sold to another broadcaster. The license was initially obtained by the entity at no cost and there is no ongoing fee to pay as license renewal.

(c) **Goods & Services Tax**

These financial statements have been prepared on a GST exclusive basis with the exception of accounts receivable and accounts payable which are shown inclusive of GST.

(d) **Taxation**

The Inland Revenue Department has granted the Association exemption from taxation on the condition that certain provisions of the Income Tax Act 2007 are met each year. These provisions require that the Association remains a Charitable Association and that no individual profits from the activities of the Association. Should the current charitable nature of the operation change, taxation may be payable on profits from trading operations with non-members.

(e) **Inventories**

Inventory is initially measured at cost and subsequently measured at the lower of cost, determined on a first-in-first out basis, and net realisable value.

Cost includes expenditure incurred in acquiring the inventories in bringing them to their existing location and condition.

Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of selling expenses.

(f) **Investments**

Share investments in listed companies are stated at their fair value. Initially they are recorded at cost, and are then valued at market bid price at the Statement of Financial Position date in subsequent periods. Any gains or losses generated as a result of revaluation is recognised in the Statement of Financial Performance.

Other investments are stated at cost less any amortisation. Amortisation is recognised in the Statement of Financial Performance.

(g) **Employee Benefits**

Short-term employee benefit liabilities are recognised when the Group has a legal or constructive obligation to remunerate employees for services provided with 12 months of reporting date, and is measured on an undiscounted basis and expensed in the period in which employment services are provided.
(h) **Operating Leases**  
Operating leases are those which all the risks and benefits are substantially retained by the lessor. Operating lease payments are expensed in the periods the amounts are payable.

(i) **Cash and Cash Equivalents**  
Cash and Cash Equivalents in the balance sheet comprise cash at bank and in hand and short-term deposits with an original maturity of three months or less other than those that are not held for the purpose of meeting short-term cash commitments, plus bank overdrafts. Bank overdrafts are shown on the balance sheet as current liabilities within short term borrowings.

(j) **Revenue from Exchange Transactions**  
Sales of goods and services are recognised when they have been delivered and accepted by the customer.

Dividend revenue is recognised when the shareholders' right to receive the payment is established.

(k) **Revenue from Non-Exchange Transactions**  
Donations received are included in operating revenue. If particular conditions are attached to a donation that would require it to be repaid if these conditions are not met, then the donation is recorded as a liability until the conditions are satisfied.

Donated goods or services (other than donated assets) are not recognised.

Where significant donated assets are received with useful lives of 12 months or more, and the fair value of the asset is readily obtainable, the donation is recorded at the value of the asset obtained. Where the fair value of the asset is not readily obtainable, the donation is not recorded. Donated assets with useful lives less than 12 months are not recorded.

Grants received are included in operating revenue. If particular conditions are attached to a grant that would require it to be repaid if these conditions are not met, then the grant is recorded as a liability until the conditions are satisfied.

(l) **Receivables**  
Receivables are stated at their estimated realisable value. Bad debts are written off in the year in which they are identified.

(m) **Significant Management Judgements**  
When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

The following are significant management judgements in applying the accounting policies of the Company that have the most significant effect on the financial statements:

**Useful lives of depreciable assets**  
Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets.

*The accompanying notes form part of these financial statements. These financial statements should be read in conjunction with the attached Compilation Report.*
Net realisable value of inventories
Net realisable value of inventories, having regard to inventory aging and assumptions as to future market conditions, and have estimated the necessary provision for obsolescence, in accordance with accounting policy at Note 1 (e).

(n) Financial Instruments - Financial Assets
At initial recognition, the Group determines the classification of financial assets as either held at fair value, cost or amortised cost. Financial assets are measured initially at fair value, estimated at the transaction price less any associated transaction costs.

Amortised Cost
Includes assets where the Group intends to earn contractual cash flows in the nature of principal and interest payments. Such assets are carried at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired, as well as through the amortisation process.

Cost
Equity instruments are classified as held at cost. Assets are stated at cost less any accumulated impairment loss. Gains and losses are recognised in profit or loss when the assets are derecognised or impaired.

Fair Value
Financial assets not held at amortised cost or cost are held at fair value and include financial derivatives such as forward contracts and interest rate swaps. Assets are subsequently measured at fair value only when the fair value of the instrument can be reliably measured based on a quoted price for an identical asset in an active market. Where no active market price is available, the instrument shall be measured at the fair value for a prior year less any accumulated impairment loss.

Gains and losses are recognised in profit or loss for movements in the fair value of the assets and when the assets are derecognised.

(o) Financial Instruments - Financial Liabilities
Financial liabilities, including borrowings and bank overdrafts, are initially measured at fair value, net of transaction costs and are subsequently measured at amortised cost using the effective interest method. Interest expenses are recognised in profit or loss on an effective yield basis.

(p) Going Concern
These financial statements have been prepared on the basis that the Group is a going concern.

2. CONTINGENT LIABILITIES
At balance date there are no known contingent liabilities (2015:$0).
3. RELATED PARTIES
   Key management personnel remuneration:
   The Group classifies its key management personnel into the following classes:
   - Members of the governing body, being the Executive, Trustees, and Company Directors
   - Key Management Personnel

   Members of the governing body are paid an honorarium or are paid sitting fees on an independent contractor basis.
   Key management personnel are employed as employees of a group entity, on normal employment terms.
